Courses

FOL 3501 Global Cinema

Col of Arts, Soc Sci and Human, Department of Government

3 sh (may not be repeated for credit)

Global Cinema invites students to go further in their understanding of world languages. Students will be exposed to various film traditions within each language that we currently offer at UWF and will explore the cultural identities that emerge, as well as reflect upon stereotypes that they may hold about other cultures. While this course is taught in English, we will screen films in their original language with English subtitles. Meets College-Level Communication Skills Requirement. Meets Multicultural Requirement.
