

Tuition and Fees

The tuition for the University of West Florida includes base tuition and mandatory fees. The schedule of tuition, fees, and other special fees applies to all enrolled students at the University of West Florida. Required fees are established by the Florida Legislature, Florida Board of Governors, and UWF's Board of Trustees and are generally updated each fall term. The University will make every possible effort to advertise any changes in fees when and if they occur.

You are required to complete a Financial Responsibility Statement prior to registering each term. This statement outlines the terms and conditions of the financial responsibilities and obligations associated with attending the University of West Florida.

2023-2024 Tuition and Fees

Refer to [Tuition and Fees](#) for the 2023-2024 academic year tuition and fees information. Tuition and Fees for the 2024-2025 academic year will be published as soon as they are established.

Payment of Fees

Fees may be paid by any of the following methods:

- Tuition and fees, housing, mandatory meal plans, and the University ID card may be paid online using your checking or savings account through [MyUWF](#). An e-check payment results in an electronic debit of your bank account. There is no additional fee assessed for an e-check payment. If your payment is returned as unpaid by your bank for any reason, your student account will be assessed a return item fee.
- Credit and debit cards may be used to make payments for tuition and fees, housing, mandatory meal plans, and the University ID card online through [MyUWF](#). The University partners with CashNet to process credit and debit card payments and a convenience fee of 2.75% will be charged. This fee will be added to your total payment and is nonrefundable. The convenience fee of 2.75% will be displayed prior to the completion of the transaction. Your completion of the transaction acknowledges acceptance of these payment terms.
- Students that elect to pay with their BankMobile Vibe account will also be assessed a 2.75% convenience fee.
- Students may elect to pay with a foreign currency online through [MyUWF](#). The international payment option provides a simple, reliable way for students or parents to pay in their home currency, either online or by bank transfer, with competitive exchange rates.
- A parent portal is available for online payments through CashNet. Student authorization is required.
- Payments by cash, check, money order, or traveler's check may be made in person at the Cashier, Building 20 East, for tuition and fees, housing, meal plans, University ID cards and other miscellaneous charges.
- An after-hours depository box is located at Building 20 East on the main campus. All payments must include the student's name and UWF ID number to ensure correct and timely processing. Payments must be placed in the depository box by the close of business on the fee payment due date to be considered on time. Do not include cash when using the depository box.
- Mail must be received by the due date to be considered on time. Postmark date is not considered on time. All payments must include the student's name and UWF ID number to ensure correct

and timely processing. Mail payments to UWF Cashier, 11000 University Parkway, Building 20 East, Pensacola, FL 32514-5750.

Students paying fees by mail or depository box must include all fee payment documents to ensure proper and timely credit for payment. Students are expected to meet all financial obligations as they become due. UWF reserves the right to cancel the registration of students who fail to promptly meet their financial obligations to the University. Students may not pay delinquent account balances applicable to a prior academic year using financial aid awards applicable to the current academic year. All delinquent balances must be paid in full prior to the disbursement of current term financial aid. It is each student's responsibility to stay informed of all registration and fee payment dates, deadlines, and other requirements by referring to the [Academic Calendar](#) and viewing their account balance in [MyUWF](#). If necessary, students should inform their parents or other interested parties of the deadline dates and the necessity for meeting them.

When to Pay Fees

A student becomes liable for tuition upon registration. There are only two due dates per term. Fees for courses remaining on the student's schedule at the close of the drop/add period must be paid by the fee payment due date. The start date of your earliest class determines your fee payment due date. Payment for classes added after the initial due date is due immediately. For more information and specific examples refer to [Tuition and Fees FAQs](#).

Payments are applied to charges on your student account in order of the charge due dates. For charges with the same due date, payments are applied first to tuition and mandatory fees and then to other charges on your account.

Authorized deferment status may be granted under certain conditions. All students placed in a deferred fee payment status must confirm the deferred status with the Cashier or Student Accounts. Failure to pay all fees or receive authorized deferred payment status by the fee payment due date may result in the assessment of a \$100 late payment fee or cancellation of the student's registration. Students whose registration is cancelled due to nonpayment may appeal for reinstatement and will be assessed a \$200 reinstatement fee. The student will be held liable for all fees assessed for courses remaining on the student's registration at the close of the drop/add period for which a partial payment of fees has occurred or an authorized fee deferment status has been granted. Under such circumstances, the student's registration may or may not be cancelled. An administrative hold will be placed on the student's record until the course fees and late fees are paid in full.

Deferred Payments

Deferred payment status for tuition and registration fees may be granted upon application by the student on the following grounds:

Veterans Deferments

- Deferral eligibility is granted to students receiving veterans' education benefits from federal programs if benefits are delayed in transmission to the student through circumstances beyond the student's control.
- Veterans and other eligible students receiving veterans' education benefits on active duty and under Chapters 30, 32, 33, 35, 1606, and 1607, U.S.C., are eligible for one deferment each academic term. A 90-day deferment may be issued for the fall and spring terms, and a 30-day deferment may be issued for the summer and mini-terms. An additional deferment extension may be issued if

there is a delay in the receipt of benefits provided the extension is requested prior to the original deferment due date.

A veteran may request a deferment (promissory note) via their VA Enrollment Certification in [MyUWF](#) or at the Military and Veterans Resource Center (MVRC) for the amount of tuition and fees. The MVRC will submit the approved promissory note to the Cashier prior to the fee payment due date. Failure to make payment by the deferment due date will result in the assessment of a \$100 late payment fee. Students who do not make a payment or request a deferment may have their registration cancelled. Students whose registration is cancelled due to nonpayment may appeal for reinstatement and will be assessed a \$200 reinstatement fee. If a student has available financial aid, it will be used prior to the posting of the deferment to pay tuition, fees, and other charges.

The University reserves the right to deny deferral status to students who have established an unfavorable credit rating with the University.

Financial Aid Delivery

Financial aid awards, including loans, grants, and scholarships, that are complete prior to the beginning of each term will be disbursed by the Office of Financial Aid and Scholarships and refunded by Student Accounts. Tuition and fees, housing, meal plans, and any other outstanding charges are deducted from the financial aid proceeds. Any remaining funds are delivered as a refund with BankMobile Disbursements, a technology solution powered by BMTX, Inc., via the method chosen by the student. It is the student's responsibility to ensure that all tuition and fees, and other charges are paid in full by the due date. Balances not covered by available financial aid must be paid by the fee payment due date to avoid the assessment of a \$100 late payment fee.

Federal financial aid (Pell, SEOG, TEACH, and Subsidized, Unsubsidized, and PLUS Loans) may only be used to pay for tuition and fees, housing, meal plans, and the University ID card. Federal financial aid cannot be used to pay penalty fees, such as Repeat Course Surcharges, Excess Hours Surcharges, or late fees. Students may use their federal financial aid to pay other charges on their account by signing the Title IV Authorization Form. This form gives UWF permission to apply federal aid to miscellaneous charges on the students' accounts, such as bookstore charges, library fines, and health center charges.

The netting of financial aid awards begins after the drop/add period. Late awards of financial aid are processed in the same manner throughout each academic term. Excess financial aid will be refunded through BankMobile Disbursements according to the student's refund preference.

Refund Preference

Degree seeking students may follow these simple steps to select a refund preference:

- a. Log into [my.uwf.edu](#)
- b. Select Financial Resources (for students) then select BankMobile Disbursements
- c. Select how you'd like to receive your money

For more information, visit [BankMobile Disbursements](#).

UWF Payment Plan

Eligible students may pay current term tuition and fees, housing, mandatory meal plans, and the University ID card with a UWF payment plan. All of these charges will automatically be included in the plan;

you cannot choose to exclude charges. Eligible charges will be reduced by the amount of available financial aid, private scholarships, private loans, and third-party billing arrangements. The University offers payment plans with a variable number of installment payments dependent on the date of enrollment in the plan. Enrollment in the payment plan is completed by selecting the Payment Plans link in CashNet. Each installment must be paid by the appropriate fee payment due date to avoid assessment of a \$100 late payment fee. Students must have a favorable credit rating with the University to be eligible for the UWF Payment Plan. A \$15 service charge will be added to all payment plans. Contact Student Accounts at (850) 474-3037 for information.

Tuition and Fees Paid by Third Party

Students registered for courses which will be partially or fully paid by their sponsoring agencies must bring the contract or authorization forms and partial payments, if applicable, to the Cashier during the registration period. Students should review their account balance in CashNet and verify their deferred status during the designated fee payment period. If the authorization is to be mailed to the Cashier by the agency, it must be received by the fee payment due date.

Students are ultimately responsible for all tuition and fees. If the agency (including the Veterans Administration) has not paid tuition and fees by the end of the semester, the student is required to pay their tuition and fees in full. Failure to do so will result in an administrative hold on the student's record and the assessment of a \$100 late payment fee.

Delinquent Balances

Students with delinquent balances at the University (financial aid billings, loans, library fines, etc.) must pay in full to avoid assessment of additional collection costs. Failure to pay the balance will result in holds preventing registration as well as the release of grades and transcripts. Holds may also prevent the release of financial aid.

Tuition Waivers

Students registered for courses which will be partially or fully paid by a tuition waiver must submit the authorization form to the appropriate office prior to or during the applicable semester. Requests will not be approved retroactively. Students must confirm the tuition waiver status with the Cashier during the designated fee payment period. Any portion of the student's account balance not covered by a tuition waiver or other financial aid must be paid by the fee payment due date. Failure to do so will result in the assessment of a \$100 late payment fee or cancellation of classes. Refer to [Student Accounts and Cashier](#) for more information or contact 850-474-3035.

Graduate Assistantships

Graduate assistants who have at least a .25 FTE appointment may be eligible for a matriculation fee waiver which applies to a portion of the in-state tuition. Out-of-state graduate assistants may be eligible for a waiver of the out-of-state portion of the tuition. Contact the Graduate School at (850) 473-7716 or the academic department for further information.

Florida Department of Children and Family Services

Students shall be exempt from paying tuition and fees if the student is or was at the time the student reached the age of 18 in the custody of DCF or a relative under s. 39.5085; adopted from the DCF after

May 5, 1997; or placed in guardianship by a court after spending at least 6 months in the custody of DCF after reaching 16 years of age. The student must provide certification of eligibility from the Florida Department of Children and Family Services. This exemption shall remain valid until the time the student reaches 28 years of age. Refer to [Tuition Waivers](#) for more information.

Florida Resident Senior Citizens

Individuals who are 60 years or older and meet Florida residency requirements may enroll on a space-available basis without payment of the application fee and receive a tuition and fees waiver. Certain portions of course fees are not covered by the waiver and must be paid by the fee payment due date to avoid the assessment of a \$100 late payment fee or the cancellation of registration. No academic credit will be awarded in classes for which fees are waived. Refer to [Senior Citizen Tuition Fee Waivers](#) for detailed policies and procedures.

Special Risk Dependents

Dependents of special risk members as defined in Sections 112.190 and 112.191, Florida Statutes (law enforcement, correctional and correctional probation officers and firefighters), killed in the line of duty are eligible for waiver of tuition and fees under certain circumstances. The amount waived shall not exceed 120 credit hours. The benefit shall continue until the student's 25th birthday for dependent children. The benefits provided to a spouse must commence within 5 years after the death occurs and shall continue until the 10th anniversary of that death. Only a student in good standing may receive the benefits thereof. Refer to [Tuition Waivers](#) for more information.

State Employees

State Employees are eligible for a tuition and fees waiver for up to six credit hours per term (fall, spring, and summer). Certain portions of course fees are not covered by the waiver and must be paid by the fee payment due date to avoid the assessment of a \$100 late payment fee or the cancellation of registration. Certain self-funded degree programs are eligible subject to availability. Refer to [State Employee Tuition Fee Waivers](#) for detailed policies and procedures.

Out-of-State Students

Out-of-state students, including, but not limited to, students who are undocumented for federal immigration purposes and meet the following conditions are eligible for a waiver of out-of-state fees: attended a secondary school in Florida for 3 consecutive years immediately before graduating from a high school in Florida; apply for enrollment within 24 months after high school graduation; and submit an official Florida high school transcript as evidence of attendance and graduation. The waiver is applicable for 110 percent of the required credit hours of the degree or certificate program for which the student is enrolled. A student who is granted an out-of-state fee waiver is not eligible for state financial aid. Refer to [Tuition Waivers](#) for more information.

Congressman C.W. "Bill" Young Veteran Tuition Waiver Program

An honorably discharged veteran of the United States Armed Forces, the United States Reserve Forces, or the National Guard who physically resides in Florida while enrolled in the institution is eligible for a waiver of out-of-state fees. The veteran must present a copy of the Department of Defense Form 214 (DD-214) and documentation as proof that the veteran physically resides in Florida. Refer to [Veteran and Military Students](#) for more information.

Active Duty Military Waiver Program

An active duty member of the United States Armed Forces residing or stationed outside of the state is eligible for a waiver of out-of-state fees. The student must submit a copy of their most recent Leave and Earnings Statement (LES) and current military orders. Refer to [Veteran and Military Students](#) for more information.

Chapter 35 Survivors and Dependents Out-of-State Waiver

Students utilizing Chapter 35 Survivors and Dependents benefits may qualify for a waiver of out-of-state fees. Please refer to [Tuition Waivers](#) for more information.

Unsheltered/Homeless Waiver Program

A person who lacks a fixed, regular, and adequate nighttime residence, excluding university housing, or whose primary nighttime residence is a public or private shelter designed to provide a temporary residence for individuals intended to be institutionalized, or a public or private place not designed for, or ordinarily used as, regular sleeping accommodation for human beings is eligible for a waiver of tuition and associated fees. Students requesting a homeless waiver must be a resident of the state of Florida and are required to provide proof of homelessness (affidavit from a homeless shelter, for example) each semester. Refer to [Tuition Waivers](#) for more information and waiver form.

UWF Employee Tuition Waiver Program

Eligible full-time UWF employees are permitted to take up to six credit hours of undergraduate or graduate coursework at UWF per term (fall, spring, summer) without payment of tuition or mandatory fees. Employees may instead assign up to six undergraduate credit hours or up to three graduate credit hours to their dependents. Certain portions of course fees are not covered by the waiver and must be paid by the fee payment due date to avoid the assessment of a \$100 late payment fee or cancellation of registration. Directed studies, practicums, internships, music and theater performance, continuing education, and other one-on-one course situations, such as theses and dissertations, are not authorized. Certain self-funded programs are eligible subject to the availability of funds. Refer to [Human Resources](#) for more information.

Late Registration and Late Payment Fees

Provided documentation is received by the institution to indicate extenuating circumstances justifying a waiver, the University Controller may waive the late payment fee and the University Registrar may waive the late registration fee when it is determined that the University is primarily responsible for delinquency of a student's account or extenuating circumstances exist beyond the control of the student.

Refund of Fees

The late payment fee and late registration fee are nonrefundable unless waived by the University Fee Appeals Committee.

Full refunds will be made to the student when a course is cancelled by the University or when a student is denied access to a University course. Courses dropped during the drop/add period will be fully refunded.

A student who officially withdraws from all courses at the University within the first four weeks of the semester will be entitled to a refund

of 25% of the per credit hour fee for courses for which the drop/add period has passed. Withdrawal from courses for which the drop/add period has not passed will be treated as a drop, and the per credit hour fee will be fully refunded.

Return of Title IV Funds (Student Responsibility)

The University of West Florida is required by federal regulation to monitor financial aid students who receive Title IV Funds (Pell, SEOG, Direct Loans, and PLUS Loans). Students who have officially or unofficially withdrawn (stopped attending classes without notification) from all courses before completing 60 percent of the term are not eligible for 100 percent of their federal financial aid.

The University is required to return the unearned portion of the Title IV Funds to the Federal Department of Education. Returned unearned aid that is related to federal loans will be applied to the outstanding balance of the loans.

Financial aid that is returned to the Federal Department of Education will become a debt that the student owes the University. This amount will be placed on the student's account, and a hold will be placed on the student's record preventing registration and the release of grades and transcripts. Contact Student Accounts for exact dates and repayment requirements at 850-474-3038 or stuacct@uwf.edu.

Withdrawals and Military Tuition Assistance (TA)

As a participant in the Department of Defense Voluntary Education Program, the University of West Florida is required to return unearned TA funds to the appropriate military branch of service. TA funds are earned proportionally during an enrollment period. Unearned funds the University returns is calculated based on when a student stops attending their course(s).

Unearned TA funds that are returned to the appropriate military branch of service become a debt that the student owes the University. This amount will be placed on the student's account and a hold will be placed on the student's record preventing registration and the release of grades and transcripts. If a student is eligible to receive a refund from the University for tuition and fees or other charges, the University will apply the refund against the debt from the unearned TA.

Appeal for Late Fee Assessments and Refunds

Student appeals for late registration, late payment of tuition and fees, and refunds of tuition upon withdrawal after the refund deadline are referred to the University Fee Appeals Committee. In order to be considered, requests for refunds and other appeal actions must be submitted within **six months** after the end of the semester to which the refund or appeal action is applicable. **Requests submitted after the deadline will not be considered.**

All appeals must be submitted in writing or by email utilizing the [Fee Appeal Form](#). The appeal form with supporting documentation should be submitted to Student Accounts, Bldg 20E, or emailed to feeappeal@uwf.edu. Failure to provide adequate supporting documentation will result in a delay of the appeal. An appeal for refund of tuition and fees requires that the student be officially withdrawn from the course(s) prior to being reviewed by the Fee Appeals Committee. Appeals are reviewed for the existence of extenuating circumstances that may have prevented the student from meeting their obligations in a timely fashion. The following

circumstances *may* warrant approval of the appeal; however, the success of the appeal rests on the facts in each individual case:

- a. Call to or enlisted in active duty military service within the semester
- b. Death of the student or death in the immediate family (parent, spouse, child, sibling)
- c. Complete withdrawal of the student from all courses due to illness of the student that is confirmed in writing by a physician stating completion of the term is precluded
- d. Administrative/University error

Circumstances generally not sufficient to support an appeal include, but are not limited to:

- a. Not being aware of registration and/or tuition due dates
- b. Insufficient financial aid or financial hardship
- c. Lack of familiarity with UWF system or procedures
- d. Withdrawal from course(s) to avoid failure or low grades
- e. Withdrawal from course(s) due to dissatisfaction with instructor(s)
- f. Withdrawal due to conflicts with school/work/life balance

Note: Withdrawal appeals (academic or medical) that are submitted to the Registrar's or Dean of Students Offices at the end of the semester or withdrawals approved retroactively for a previous semester will generally not be considered for a refund of tuition.

The submission of a fee appeal does not guarantee approval. In addition, the submission of an appeal does not extend the due date for outstanding tuition and fees or other charges while awaiting a decision by the Fee Appeals Committee. Charges not paid by the due date will be assessed the late payment fee.

If the appeal is denied, the decision of the Fee Appeals Committee may be appealed first to the University Controller, then to the Vice President of the Division of Finance and Administration, as designee of the President, who has final authority within the University. Additional appeals must be submitted within two weeks of the appeal decision. After two weeks, the appeal is closed with no further consideration.
