

Graduation Honors

Baccalaureate Honors

The University will confer baccalaureate honors recognition on those students who have earned:

- At least 25% of total degree hours of graded work at UWF (e.g. 30 hrs for a 120 hr degree plan).
- At least a 3.5 institutional (UWF) GPA.
- At least a 3.5 overall (transfer and UWF) GPA.
- Baccalaureate Honors will be based on the lower of the two GPAs; either the cumulative institutional or overall cumulative GPA. The GPA calculation can be found on the unofficial transcript.

Second-degree candidates are eligible for baccalaureate honors recognition with the same requirements as first degree candidates.

The following minimum GPAs are required for graduation honors:

Degree	GPA
Cum Laude	3.50
Magna Cum Laude	3.70
Summa Cum Laude	3.90

Previous recognition on the President's or Dean's Honor Rolls does not ensure baccalaureate honors at graduation.

Kugelman Honors Program

The UWF Kugelman Honors Program offers unique living and learning opportunities for students in all majors. In addition to their regular coursework, Kugelman Honors Scholars enroll in special interdisciplinary seminars led by the university's most accomplished faculty. Honors scholars also undertake a rigorous thesis project in which they explore a topic of lasting scholarly significance while working closely with a faculty advisor.

Benefits for participation in the program include early registration, exclusive scholarships, small Honors-only seminars (average of 15 students), the option to live in Pace Hall, study abroad opportunities, annotation on the UWF transcript as a Kugelman Honors Scholar, and participation in the Honors Commencement Ceremony. Most importantly, Kugelman Honors scholars are part of the University's oldest and most vibrant living-learning community that fosters lifelong friendships and intellectual camaraderie among students and faculty alike. Admission to the Kugelman Honors Program is normally by invitation only, although applications for admissions are accepted on a limited basis.

For more information, email honors@uwf.edu (Honors@uwf.edu).

Honors Scholarships

The University of West Florida offers numerous scholarships for high-achieving students. Nearly all students who are invited to join the Kugelman Honors Program are awarded a [UWF Admissions Scholarship](#) (Academic Excellence, Nautilus, Argonaut, or Pace Presidential).

The Kugelman Honors Program provides two scholarships to all students in the Honors Program, pending availability of funds. These scholarships are the **John C. Pace, Jr. Honors Scholarship** to support high-impact learning experiences and the **Honors Tuition Scholarship** to defray tuition costs while students are conducting

research for their Honors thesis. In addition, the Honors Program offers **Honors Leadership Scholarships** to selected students who are active on campus and in the community as student leaders and **Honors Diversity Awards** to support leadership training, research, and travel for students interested in diversity-related topics.

If you have questions about our scholarships, visit the [Honors scholarship page](#), email honors@uwf.edu or call the Honors Program at 850-474-2934.

GPA Requirement:

All students in the Kugelman Honors Program must maintain a 3.00 G.P.A. at UWF.

Failure to meet this requirement will result in being placed on probation in the Honors Program. If an Honors student fails to achieve a 3.00 G.P.A. for two consecutive semesters, the student will become academically ineligible to be a member of the Honors Program. Students who do not make satisfactory progress may be terminated for non-participation.

Students who have become academically ineligible can apply for reinstatement to the Kugelman Honors Program once their G.P.A. exceeds 3.00 by submitting a petition for reinstatement to the Honors Director.

Community Service and E-Portfolio Requirement

Before graduating, Honors students are required to complete focused community service. They must also complete the Honors E-Portfolio, an online collection of service and academic accomplishments that highlight the student's development as a leader and scholar over their time in college.

Students will take a one-credit seminar, Service Learning & E-portfolio, in their second year to learn about Honors service projects and how to prepare the portfolio required for graduation from the program.

Students are able to complete independent community service or participate in projects organized by UWF, academic departments, the Honors Program, and the Honors Council Service Committee.

Program Requirements:

In addition to course requirements, all Honors students must complete:

- Submission of Honors thesis approved by faculty advisor and the Honors Director
- Leadership and service portfolio
- Completion of community service hours as approved by the Honors Director or Assistant Director
- Public presentation of Honors thesis (preferably at a state, regional, or national conference)
- One high-impact educational experience as approved by the Honors Director (2-year pathway students only)
