

Legal Studies Pre-Law

The Legal Studies Pre-Law program provides students with a broad understanding of basic principles of law and the role and function of the legal system. While no specific major is prescribed for admission to law school, many pre-law students elect to major in Legal Studies. The Legal Studies Pre-Law program, in addition to preparing students for law-related careers, provides a foundation for law school or other graduate education. All of the full-time Legal Studies faculty are attorneys who are graduates of ABA-Approved law schools and are available for law school advising. Legal Studies students are encouraged to work closely with their Legal Studies Advisor in planning their programs. Satisfactory completion of program requirements leads to the degree of Bachelor of Arts with a major in Legal Studies Pre-Law.

Program Requirements

In addition to general University requirements, students seeking the Bachelor of Arts in Legal Studies Pre-Law must meet the requirements listed below. A grade of "C" is required for all courses listed as core courses.

Students may get credit for a maximum of 6 hours of Field Study / Internship / Directed Study. All PLA courses presume competency and experience with word processing, spreadsheets, databases, e-mail, and internet. Any course substitutions for specifically listed courses must be approved in advance, in writing by the Legal Studies Program Advisor.

General Education

In addition to the General Education requirements listed on this page, students must satisfy all additional University requirements, including the [College-Level Communication and Computation](#), [Multicultural](#), and [Foreign Language](#) requirements. With appropriate planning and coordination with an academic advisor, students may satisfy some of the general University requirements through the General Education curriculum. For a complete listing of general degree requirements, refer to the [State University Requirements](#) section of this catalog.

General Education Electives

Choose an additional course from two of the five areas of Communication, Mathematics, Social Sciences, Humanities, and Natural Sciences.

Multicultural Requirement

Multicultural Courses

An important component of a liberal education is the study of cultures other than one's own. As such, multiculturalism encompasses the appreciation of the values, expressions, and modes of organization of diverse cultural communities. To further such study, the University of West Florida requires all students pursuing a bachelor's degree to complete at least one course that explores one or more of the dimensions of another culture (language, religion, socio-economic structures, etc.). Students are exempt from this requirement if they have completed an A.A. degree, the general education program at a Florida public institution, or a baccalaureate degree.

The requirement is satisfied by the successful completion of a multicultural course designated on the following list. Several of the selections are General Education courses, and students may enroll in these to meet both the General Education and the multicultural requirements.

***Passed by UWF Faculty Senate on 11/08/2002*

This list is continually updated and students are encouraged to check with their advisors for alternative options.

Civic Literacy Requirement

The 2017 Florida Legislature amended [Section 1007.25, Florida Statutes](#), to require students **initially entering a State University System (SUS) and/or Florida College System (FCS) institution in 2018-2019** and thereafter to demonstrate competency in civic literacy. The 2021 Legislature further amended Florida Statutes, requiring students to complete both a civic literacy course and an exam. As a result, there are three cohorts of students currently matriculating at Florida public institutions subject to varying requirements. As demonstrated in the table below, the exact civic literacy requirements are based on the academic term in which a student first enrolled in a Florida public institution.

Students Included in Cohort	Civic Literacy Competency Requirement
Cohort 1: Students first entering the SUS or FCS prior to fall 2018	None
Cohort 2: Students first entering the SUS or FCS in fall 2018 – summer A 2021	Complete a course or exam (course options AMH 2020, POS 2041)
Cohort 3: Students first entering the SUS or FCS in summer B 2021 (on or after July 1, 2021) and thereafter	Complete both a course and exam (course options AMH 2020, POS 2041)

Additionally, the 2021 Legislature made two additional exceptions: approving the use of accelerated mechanisms for meeting the course competency requirement and exempting high school students who pass the Florida Civic Literacy Exam in high school from the postsecondary exam requirement. These two changes are in effect for Cohort 3.

There are multiple ways to satisfy this requirement. Students should work with their academic advisor to determine which option is best for their degree requirements/degree plan.

Additional information can be found on our [Civic Literacy](#) website, SUS regulation [BOG 8.006](#) and Florida Statute [s.1007.25\(4,a-b\)](#).

Mathematics Pathway

Students are advised to complete the following courses to fulfill the mathematics pathway that aligns with the mathematics skills needed for success in their program and their career goals. Students should refer to their academic advisor for questions about the math pathway for their program. For information about this requirement, refer to the catalog page for [Mathematics Pathways](#). These courses may also fulfill requirements for General Education and Common Prerequisites.

MGF 1131	Mathematics in Context	3

Common Prerequisites

State-mandated common prerequisites must be completed prior to graduation, but are not required for admission to the program. See the [Common Prerequisite Manual](#) for course substitutions from Florida colleges and universities.

There are no specified common prerequisites for this major. All Florida College System students are encouraged to complete the Associate degree. Students should consult with an academic advisor in their major degree area at the intended transfer institution.

Lower Division Electives

Students must complete sufficient 1000/2000 level electives to complete at least 60 semester hours in the lower division. Current UWF students may use elective courses at any level (1000-4000) to meet this elective requirement. 24

Legal Studies Pre-Law students planning to take the LSAT and seek admission to law school are encouraged to take courses that will strengthen their written and verbal communication skills as these are needed to be successful in law school.

Upper-Division Electives

Students must complete sufficient 3000/4000 level electives to meet UWF's requirement of 48 semester hours in the upper division or complete all departmental requirements at the 3000/4000 level, whichever is greater. 6

No more than 24% of the program requirements for this degree may be in traditional business subjects.

Pre-Law Minor

The Legal Studies Pre-Law Minor is meant as a supplement to majors other than Legal Studies and is for those who want a minimal background to prepare for law school or who want an introduction to terminology and basic ideas and skills related to the law and the legal profession. In contrast, the Legal Studies major emphasizes legal career preparation. Students who are considering attending law school are strongly encouraged to complete PLA 3106 Legal Research and Writing for the elective in this minor. Students who take PLA 3106 Legal Research and Writing should successfully complete at least one or two law-related courses before attempting this course. Contact a Legal Studies advisor who will assist in choosing appropriate courses. A minimum of 9 semester hours (sh) of upper-division courses must be completed at UWF. Legal Studies majors may not earn this minor.
