

UWF Online

The University of West Florida (UWF) Online Campus offers fully online, blended, and web-conferencing undergraduate and graduate degree and certificate programs. The Center for Teaching, Learning, and Technology (CTLT) supports faculty and the University to make a high-quality UWF education available to anyone, anywhere, anytime through the innovative use of technology.

UWF Online Programs

UWF Online offers over 600 online course sections each semester that lead to over 50 different undergraduate and graduate degrees as well as credit-earning certificate programs. Students enrolling in UWF Online programs will experience interactive, personalized strategies for online course delivery as well as access to UWF Online staff ready to provide additional assistance as needed.

Out-of-State Tuition Waivers

Admittance to any of the UWF Online or certificate programs provides the opportunity to apply for an out-of-state tuition waiver that substantially reduces tuition for non-Florida residents.

The Center for Teaching, Learning, and Technology

The Center for Teaching, Learning, and Technology provides faculty support through consultations, professional development, high-quality course reviews, accessibility assistance, video production, and multimedia support. CTLT instructional designers are available to assist faculty with all online teaching needs and provide faculty with essential training and resources.
