Student's "education records" are comprised of any written information or recorded data maintained by the University, or by an entity acting on behalf of the University, that is directly related to a student who is or has been in attendance at the University. A student is deemed to be

"in attendance" at UWF when the student registers for classes the first time. Thereafter, a student is deemed to be "in attendance" during all periods of enrollment, including between semesters, during University holidays, and during periods of suspension. These designations of "in attendance" are for the limited purposes of the application of FERPA rights at the University of West Florida only. In accordance with Florida Statutes ([s.1006.52](#)), records of applicants as defined therein are included in the term "education records."

2. Law Enforcement Records - Records maintained by University police that are for law enforcement purposes.
3. Employment Records - Records maintained by University employees that relate solely to the student as an employee and are not available for any other purpose.

U.S. Department of Education
400 Maryland Avenue, SW

Student Right-To-Know Information

In compliance with the Student-Right-To-Know legislation ([20 USC 1001: Education](#)), data is available in the Dean of Students Office, (850) 474-2384.

Full Confidentiality Hold

In rare cases, a student may need additional privacy protection that is not covered in suppressing their Directory Information. If a student elects to have the Office of the Registrar place a Full Confidentiality Hold on their record, it means that the student's entire educational record will be suppressed and that they will not be able to discuss any part of their educational record with UWF staff remotely (telephone, email, fax, or regular mail) but instead will have elected to have all conversations about their educational record in person. See

the [Privacy section of Using the Contact and Privacy Info Wizard](#) for details.

It is important to remember that by choosing this option or by withholding Directory Information, other areas related to the student record may be affected. Some of these areas include but are not limited to, all future requests for Directory Information from non-institutional persons or organizations will be denied; degree or enrollment verifications for future employment through the National Student Clearinghouse will not be available; etc.

Student Photos

Student photos are provided to faculty on electronic class rosters to assist in identifying students, personalizing the class experience, verifying attendance, and other class-related issues.
