Tuition and Fees

The tuition for the University of West Florida includes base tuition and mandatory fees. The schedule of tuition, fees, and other special fees applies to all enrolled students at the University of West Florida. Required fees are established by the Florida Legislature, Florida Board of Governors, and UWF’s Board of Trustees and are generally updated each fall term. The University will make every possible effort to advertise any changes in fees when and if they occur.

You are required to complete a Financial Responsibility Statement prior to registering each term. This statement outlines the terms and conditions of the financial responsibilities and obligations associated with attending the University of West Florida.

2019-2020 Tuition and Fees

Refer to Tuition and Fees for the 2019-2020 academic year tuition and fees information. 2020-2021 Academic Tuition and Fees will be published as soon as they are established.

Methods of Payment

Fees may be paid by any of the following methods:

- Tuition and fees, housing, mandatory meal plans, and the University ID card may be paid online using your checking or savings account through MyUWF. The University partners with CashNet to process credit and debit card payments and a convenience fee of 2.75% will be charged. This fee will be added to your total payment and is non-refundable. The convenience fee of 2.75% will be displayed prior to completion of the transaction. Your completion of the transaction acknowledges acceptance of these payment terms.
- Students that elect to pay with their BankMobile VIBE account will also be assessed a convenience fee.
- Students may elect to pay with a Foreign Currency online through MyUWF, WesternUnion, a respected leader in the realm of currency exchange, provides a mechanism to facilitate foreign currency payments.
- A parent portal is available for online payments through CashNet. Student authorization is required.

- Drop-box depository located at Building 20 East on the main campus. All payments must include the student’s name and ID number to ensure correct and timely processing. Payments must be deposited in the depository by the close of business on the fee payment due date to be considered on time. Do not include cash when using the drop-box.

All payments must include the student’s name and ID number to ensure correct and timely processing. Students paying fees by mail or by drop-box depository must include all fee payment documents (original copies of fee waiver forms, fee deferment forms, tuition aid forms, etc.) to ensure correct and timely credit for payment. Students are expected to meet all financial obligations as they become due. UWF reserves the right to cancel the registration of students who fail to promptly meet their financial obligations to the University. Students may not pay delinquent account balances applicable to a prior academic year from financial aid awards applicable to the current academic year. All delinquent balances must be paid in full prior to the disbursement of current term financial aid. It is each student’s responsibility to stay informed of all registration and fee payment due dates, deadlines, and other requirements by referring to the Academic Calendar and viewing their Account Balance on MyUWF. If necessary, students should inform their parents or other interested parties of the deadline dates and the necessity for meeting them.

When to Pay Fees

A student becomes liable for his or her tuition upon registration. There are only two due dates per term. Fees for courses remaining on the student’s schedule at the close of the drop/add period must be paid by the fee payment due date. The start date of your earliest class determines your fee payment due date. Payment for classes added after the initial due date are due immediately. For more information and specific examples refer to Tuition and Fees FAQs.

Payments are applied to charges on your tuition account in order of the charge due dates. For charges with the same due date, payments are applied first to tuition and mandatory fees and then to other charges on your account.

Failure to pay all fees or receive authorized deferred payment status by the fee payment due date may result in the assessment of a $100 late payment fee or cancellation of the student’s registration. Students whose registration is canceled due to non-payment may appeal for reinstatement and will be assessed a $200 reinstatement fee. The student will be held liable for all fees assessed for courses remaining on the student’s registration at the close of the drop/add period for which a partial payment of fees has occurred or an authorized fee deferment status has been granted. Under such circumstances, the student’s registration may or may not be canceled. An administrative hold will be placed on the student’s record until the course fees and the late fees are paid in full.

Deferred Payments:

Deferred payment status for tuition and registration fees may be granted upon application by the student on the following grounds:

Veterans Deferments

- Deferral eligibility is granted to students receiving veterans’ education benefits from federal programs if aid is delayed in transmission to the student through circumstances beyond the student’s control.
- Veterans and other eligible students receiving veterans’ education benefits on active duty and under Chapters 30, 32, 33, 35, 1606, and 1607, U.S.C., are eligible for one deferment each academic
Refund Preference

Degree seeking students will receive a Refund Preference Notification at the current address listed in MyUWF. Students select the BankMobile Disbursements folder in MyUWF to register and select their refund preference. (No code or pin number required). Once logged into the system via the website, the following options are available for refunds:

1. Electronic deposit to another account, or
2. Electronic deposit to a BankMobile VIBE account.

Note: If students choose the BankMobile VIBE account they will be sent the BankMobile VIBE debit card. Students who choose the Electronic deposit to another account and plan to subsequently transfer funds to a foreign financial institution must contact the Student Accounts Office.

UWF Payment Plan

Eligible students may pay current term tuition and fees, housing, mandatory meal plan, and University ID card with a UWF payment plan. All of these charges will automatically be included in the plan. You cannot choose to exclude some charges. Eligible charges will be reduced by the amount of available financial aid, private scholarships, private loans and third party billing arrangements. The University offers payment plans with a variable number of installment payments dependent on the month of enrollment in the plan. Enrollment in the plan is completed through your CashNet account. Select the UWF Payment Plan link in CashNet. Each installment must be paid by the appropriate fee payment due date to avoid assessment of a $100 late payment fee. Students must have a favorable credit rating with the University to be eligible for the UWF Payment Plan. A $15 service charge will be added to all payment plans. Contact the Student Accounts Office at (850) 474-3037 for information.

Tuition and Fees Paid by Third Party

Students who are registering for courses which will be partially or fully paid by their sponsoring agencies must bring the contract or authorization forms and partial payments, if applicable, to the Cashiers Office during the registration period. Students should review their account balance in CashNet and verify their deferred status during the designated fee payment period. If the authorization is to be mailed to the Cashier’s Office by the agency, it must be received by the fee payment due date.

Deferment is permitted provided formal contractual arrangements have been made with the University for payments by an approved third party. The University Controller is charged with the responsibility for negotiating third party contracts.

Students are ultimately responsible for all tuition and fees. If the agency (including the Veterans’ Administration) has not paid tuition and fees by the end of the semester, the student is required to pay tuition and fees in full. Failure to do so will result in an administrative hold on the student’s record and the assessment of a $100 late payment fee.

Financial Aid Delivery

Financial aid awards, including loans and scholarships, are complete prior to the beginning of each term will be disbursed by the Financial Aid office and refunded by Student Accounts. Tuition, fees, housing, meal plans and any other outstanding eligible charges are deducted from the financial aid proceeds and the remaining funds are sent to BankMobile (UWF’s contracted refund management partner) to be refunded via the method chosen by the student. It is the student’s responsibility to ensure that all tuition, fees, and other charges are paid in full by the due date. Any balance over and above the amount that is covered by available financial aid must be received in the University Cashiers Office by the fee payment due date to avoid assessment of a $100 late payment fee.

Federal financial aid (Pell, SEOG, Subsidized, Unsubsidized, and Parent Plus Loans) can only be used to pay for tuition and fees, housing, meal plans, and the University ID card. Students may use their federal financial aid to pay other charges on their account by signing the Title IV Authorization Form. This form gives UWF permission to apply federal aid to miscellaneous charges on the student account, such as bookstore charges, library fines and health center charges.

The netting of financial aid awards begins after the drop/add period. Late awards of financial aid are processed in the same manner throughout each academic term. All excess financial aid will be sent to BankMobile for refunding according to the student’s refund preference selection.

Third Party Billings

Deferment is permitted provided formal contractual arrangements have been made with the University for payments by an approved third party. The University Controller is charged with the responsibility for negotiating third party contracts.

Students are ultimately responsible for all tuition and fees. If the agency (including the Veterans’ Administration) has not paid tuition and fees by the end of the semester, the student is required to pay tuition and fees in full. Failure to do so will result in an administrative hold on the student’s record and the assessment of a $100 late payment fee.

The University reserves the right to deny deferral status to students who have established an unfavorable credit rating with the University.

Florida Prepaid College Program

The Florida Prepaid College Program is not financial aid. Rather, it is a third party billing plan, and as such is processed by the University Cashiers Office. Florida Prepaid participants are automatically downloaded from the Florida Prepaid website. Billing to Florida Prepaid is automatic based on the number of undergraduate credit
hours a student is enrolled in each semester and the student’s number of available Florida Prepaid hours.

There are different types of Florida Prepaid plans. The type of plan a student purchased will determine the amount per hour Florida Prepaid will pay each term. No Florida Prepaid plan pays material and supply fees, online fees, transportation fees, technology fees, or green fees. Any portion of the student’s account balance not covered by Florida Prepaid or other financial aid must be paid by the fee payment due date or it will result in the assessment of a $100 late payment fee.

If a student chooses not to bill Florida Prepaid, they must notify the University Cashiers office by email (cashier@uwf.edu) each term by the end of the fee payment period. Refer to Florida Prepaid Tuition Plans for more information or contact 850-474-3035.

**Delinquent Balances**

Students who have delinquent balances at the University (financial aid billings, loans, library fines, etc.) must pay in full to avoid assessment of additional collection costs. Failure to pay the balance will result in holds being placed which will prevent registration as well as the release of grades and transcripts. Holds could also prevent the release of financial aid.

**Tuition Waivers**

Students who are registering for courses which will be partially or fully paid by a tuition waiver must submit the authorization form to the appropriate office. The waiver application must be submitted prior to or during the applicable semester; requests will not be approved retroactively. Students must confirm the tuition waiver status with the Student Accounts and Cashier office during the designated fee payment period. Any portion of the student’s account balance not covered by a tuition waiver or other financial aid must be paid by the fee payment due date. Failure to do so will result in the assessment of a $100 late payment fee or cancellation of classes. Refer to Student Accounts and Cashier for more information or contact 850-474-3035.

**Dual Enrolled or Early Admitted Students**

The student must submit a copy of their military ID card and a copy of their current military orders. Refer to Veteran and Military Students for more information and waiver form.

Students requesting a homeless waiver must be a Florida resident and are required to provide proof of homelessness (affidavit from a homeless shelter, for example) each semester. Refer to Tuition Waivers for more information and waiver form.

Courses such as directed studies, practicums, internships, music and theater performance, continuing education, and other one-on-one course situations such as theses and dissertations are not authorized. Certain self-funded degree programs are eligible subject to the availability of funds. Refer to Human Resources for more information.

Late Registration and Late Payment Fees

Provided documentation is received by the institution to indicate extenuating circumstances justifying a waiver, the University Controller may waive the late payment fee and the University Registrar may waive the late registration fee when it is determined that the University is primarily responsible for delinquency of a student’s account or that extenuating circumstances exist beyond the control of the student.

Refund of Fees

The late payment fee and late registration fee are nonrefundable unless waived by the University Fee Appeals Committee.

Full refunds will be made to the student when a course is canceled by the University or when a student is denied access to a University course. During the drop/add period the per credit hour fee will be fully refunded for each semester hour or course(s) dropped during the drop/ add period.

A student who officially withdraws from all classes at the university within the first four weeks of the semester will be entitled to a refund of 25% of the per credit hour fee for classes for which the drop/add period has passed. Withdrawal from classes for which the drop/add period has not passed will be treated as a drop and the per credit hour fee will be fully refunded.

Return of Title IV Funds (Student Responsibility)

The University of West Florida is required by Federal regulation to monitor financial aid students who receive Title IV Funds (Pell, SEOG, Direct Loans, and Parent Plus Loans). Students who have officially or unofficially withdrawn (stopped attending classes without notification) from all courses before completing more than 60 percent of the term are not eligible for 100 percent of their financial aid.

The University is required to return the unearned portion of the Title IV Funds to the Federal Department of Education. Returned unearned aid that is related to federal loans will be applied to the outstanding balance of the loans.

Financial aid that is returned to the Federal Department of Education will become a debt that the student owes the University. This amount will be placed on the student’s account and a hold will be placed on the student account preventing registration, grades and transcripts. Contact the Student Accounts Office for exact dates and repayment requirements at 850-474-3038 or stuacct@uwf.edu.

Withdrawals and Military Tuition Assistance (TA)

As a participant in the Department of Defense Voluntary Education Program, the University of West Florida is required to return any unearned TA funds to the appropriate military branch of service. TA funds are earned proportionally during an enrollment period. Calculation of unearned funds to be returned is based on when a student stops attending class.

Unearned TA funds that are returned to the appropriate military branch of service become a debt that the student owes the University. This amount will be placed on the student’s account and a hold will be placed on the student account preventing registration, grades and transcripts. If a student is eligible to receive a refund from the University for tuition and fees or other charges, the University will apply the refund against the debt that results from the unearned TA.

Appeal for Late Fee Assessments and Refunds

Student appeals for late registration, late payment of tuition and fees, and refunds of tuition upon withdrawal after the refund deadline are referred to the University Fee Appeals Committee. In order to be considered, requests for refunds and other appeal actions must be submitted within six months after the end of the semester to which the
refund or appeal action is applicable. Requests submitted after the
deadline will not be considered.

All appeals must be submitted in writing or by email utilizing the Fee
Appeal Form (pdf). The appeal form with supporting documentation
should be submitted to Student Accounts, Bldg 20E, or emailed
to feeappeal@uwf.edu. Failure to provide adequate supporting
documentation will result in a delay of the appeal. An appeal for refund
of tuition and fees requires that the student be officially withdrawn from
the course (or courses) prior to being reviewed by the Fee Appeals
Committee.

Appeals are reviewed for the existence of extenuating circumstances
that may have prevented the student from meeting his/her obligations
in a timely fashion. The following circumstances may warrant approval
of the appeal; however success of the appeal rests on the facts in each
individual case:

1. Call to or enlisted in active duty military service within the
   semester.
2. Death of the student or death in the immediate family (parent,
   spouse, child, sibling).
3. Complete withdrawal of the student from all courses due to
   illness of the student that is confirmed in writing by a physician, stating
   that completion of the term is precluded.
4. Administrative/University error.

Circumstances generally not sufficient to support an appeal include,
but are not limited to:

1. Not being aware of registration and/or tuition due dates.
2. Insufficient financial aid or financial hardship.
3. Lack of familiarity with UWF system or procedures.
4. Withdrawal from a class (or classes) to avoid failure or low
   grades.
5. Withdrawal from a class (or classes) because of dissatisfaction
   with an instructor.

Note: Withdrawal appeals (academic or medical) that are submitted to
the Registrar’s or Dean of Students Offices at the end of the semester,
or withdrawals approved retroactively for a previous semester, will
generally not be considered for a refund of tuition.

The submission of a fee appeal does not guarantee approval. In
addition, the submission of an appeal does not extend the due date for
outstanding tuition and fees or other charges while awaiting a decision
by the Fee Appeals Committee. Charges not paid by the due date will
be assessed the late payment fee.

If the appeal is denied, the decision of the Fee Appeals Committee
may be appealed first to the University Controller, then to the
Vice President for Finance and Administration, as designee of the
President, who has final authority within the University.
